**1946**

Spring came early this year and I, determinedly out of joint with the times, came late. So for the first time I prepared this price list with the bloom on. It made me feel, like Omar Khayyam's wine merchant, that nothing I could buy was as precious as the stuff I sell and consequently several varieties, of which the stock is short, have been omitted altogether. Perhaps that will mean fewer letters with refunds and more time for purely conversational letters. Of which, with weeds always racing madly ahead, I have almost forgotten the art.

Gone are the days when one innocently speculated that the end of the war was the end of the labor shortage. So I have decided to accept the facts of life and plan on keeping this iris business in its business aspects, small and strictly personal, except what part time help I can draft from the rest of the family. At any rate you are assured of personal attention to your orders although at times it must be frantically hurried. So, give me a little leeway on delivery dates, if you can. Remember the rain falls and people have a fatal tendency to want the same thing at the same time.

## **TERMS OF SALE**

**Guarantee**—My plants are guaranteed to be true to name, and vigorous and healthy when you receive them. If not satisfactory, return them immediately upon receipt. Your money will be cheerfully refunded. No adjustment can be made on stock not returned at once.

**Stock**—Daily shipments are made of plants freshly dug from my own garden. These plants are acclimated to dry summers and changeable winters and should be vigorous and hardy anywhere.

**Terms**—Cash with order. No. C. O. D. orders accepted. Kansas customers will please add 2% sales tax. No order accepted for less than \$2.00. Postage and express prepaid on all orders.
